ATTENTION : E-MAIL CORRESPONDENCE RECEIVED FROM RAM GROUP LIMITED AND EURO MILLIONS INTERNATIONAL

It has come to RAM Transport (South Africa) (Pty) Ltd's ("RAM") attention that Ram Group Limited ("RGL"), in a number of respects, is infringing the intellectual property rights of RAM. More specifically, RGL has –

1. copied a number of RAM's logos directly from RAM's website and pasted these logos directly onto its letterhead;
2. utilised the trade mark "RAM", without RAM's authority.

RAM is committed to resolving this untenable situation and has instructed its legal representatives to pursue the matter and to instruct the relevant authorities to conduct an investigation into the activities of both RGL and Euro Millions International, both in South Africa and in the United Kingdom.

In the interim, RAM urges you to exercise due caution in dealings with these entities.

We point out that RAM, its directors and/or employees shall not be liable for any loss or damage of whatever nature, arising out of or in connection with the conduct or representations of RGL or Euro Millions International and/or any action taken in reliance on such conduct or representations.

Should you have any further queries or information in this regard, RAM suggests that you contact your local authorities.

Yours faithfully
